26TH

ANNUAL IAAIA CONFERENCE

Casablanca Morocco

13-15 November 2017

Dear Colleague,

Royal Air Maroc is honored to be the host for this year's IAAIA conference 2017.

The IAAIA conference has been taken place for several years and has proven to be a great forum for building international contacts, and exchanging on challenges and best practices experienced within aviation industry and especially within Airlines Internal Audit Departments. This year, the IAAIA Conference will take place in Casablanca, Morocco from the 13th to the 15th of November 2017. The theme of this year's conference is "Internal Audit: Sands of Change - make it happen, make it matter".

The objective of IAAIA conference is to provide an environment for participants from around the world to exchange their knowledge and practices to address how Internal Audit can add value in view of the current global challenges facing the industry. The IAAIA 2017 presents the most impressive speakers from African, European and American companies, and international organizations, who will share the latest industry updates, and expose key topics, such as :

Hedging in Aviation environment
Corporate governance and Internal Audit
Airline Strategy and the role of Internal Audit
Insider Threat and Risk Culture
Third party
Airport Services
Cargo challenges
Cyber Security Risk
Data & Business Intelligence for decision making
Aircraft maintenance
Blocked Funds & repatriation challenges
Looking back to keep on track
Corporate social responsibility
Airlines and digital transformation
Social Media

This year's conference will also include networking events, a magic gala dinner and wonderful city tours of one of the famous cities of Morocco : Casablanca.

We look forward to welcoming you to Casablanca for this landmark Conference. Please complete the enclosed form to register now and ensure your participation to this exciting event. Kindly note that you may share this invitation to your peers and colleagues who would be interested to be part of our Conference.
